Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 2 items:

1. Your report discloses the use of the Post-Election Detailed Summary Page. The Post-Election Detailed Summary Page must only be used for the first report filed after completion of an election cycle. Please amend your report to omit the use of the Post-Election Detailed Summary Page. (11 CFR §§ 104.2(a) and 104.3)
2. On Schedule B of your report, you disclose a loan payment to the candidate in the amount of \$2,200.00. However, on Schedule C of your report this payment is applied to a loan with an outstanding balance of \$788.88. While it is permissible for the committee to repay loans provided by the candidate, the committee cannot repay the candidate more than the amount of the original loan. Commission regulations provide for the continuous reporting of all outstanding balances and cumulative payments made on loans. If the committee did repay the candidate for more than the value of the loan, a reimbursement must be sought immediately. If this payment was incorrectly disclosed, you must amend your report to show the correct balance and payment information on Schedule C of your report. (11 CFR §§ 104.3(d))
